Bill No.: HB-5418

Amendment Letter:

AN ACT CONCERNING INTEGRATED PEST MANAGEMENT PLANS FOR MUNICIPAL FACILITIES.

Chair: COLEMAN, E.

Motion: GENTILE, L.

Second: SHARKEY, B.

Action: Joint Favorable

Language Recommendation to amend as follows:

Change: Strike all after the enacting clause & insert:

Section 1. Section 10-231a of the general statutes is repealed & the following is substituted in lieu thereof (effective 7/1/10):

As used in sections 10-231b to 10-231d, inclusive, & section 19a-79a, (1) "pesticide" means a fungicide used on plants, an insecticide, a herbicide or a rodenticide, but does not mean a sanitizer, disinfectant, antimicrobial agent or pesticide bait, (2) "lawn care pesticide" means a pesticide registered by the United States Environmental Protection Agency & labeled pursuant to the federal Insecticide, Fungicide & Rodenticide Act for use in lawn, garden & ornamental sites or areas, & (3) "integrated pest management" means use of all available pest control techniques, including judicious use of pesticides, when warranted, to maintain a pest population at or below an acceptable level, while decreasing the use of pesticides. The Commissioner of Environmental Protection (DEP) may adopt regulations in accordance with the provisions of Chapter 54 to carry out the purposes of this section.

Sec. 2. Section 10-231b of the general statutes is repealed & the following is substituted in lieu thereof (Effective 7/1/10):

(a) No person, other than a pesticide applicator with supervisory certification under section 22a-54 or a pesticide applicator with operational certification under section 22a-54 under the direct supervision of a supervisory pesticide applicator, may apply pesticide within any building or on the grounds of any school, other than a regional vocational agriculture center. This section shall not apply in the case of an emergency application of pesticide to eliminate an immediate threat to human health where it is impractical to obtain the services of any such applicator provided such emergency application does not involve a restricted use pesticide, as defined in section 22a-47.

(b) No person shall apply a lawn care pesticide on the grounds of any public or private [preschool or public or private elementary] school, except that (1)[on & after 1/1/06, until 7/1/10,] an application of a lawn care pesticide may be made at a public or private [elementary] school on the playing fields & playgrounds of such school pursuant to an integrated pest management plan, which plan (A) shall be consistent with the model pest control management plan developed by the Commissioner of DEP pursuant to section 22a-66i, & (B) may be developed by a local or regional board of education for all public schools under its control, & (2) an emergency application of a lawn care pesticide may be made to eliminate a threat to human health, as determined by the local health director, the Commissioner of Public Health, The Commissioner of DEP or, in the case of a public [elementary] school, the school superintendent.

(c) (NEW) The Commissioner of DEP may adopt regulations in accordance with provisions of chapter 54 to carry out the purposes of this section.
